

2025/2026 SEASON GROWER WAREHOUSING AGREEMENT

Important Grower Guidelines

This agreement outlines grower warehousing conditions for season 2025/2026. This agreement comes into effect at the grower's first delivery into warehouse. This agreement exists between the nominated grower and Shannon Bros Bulk Storage PTY LTD. It must be used with a current and valid NGR number. Any grain that has not been transferred to an approved buyer by midnight on the 30th of April 2026 will incur a storage fee per month or part thereof for all grains in warehouse. If grain remains in warehouse as of midnight the 31st of October 2026, the warehouse fee will increase to the prior season fee as below from this date forward. A shrink amount as below will apply on the delivered tonnage and the outturn fee will apply if the grain is removed from the site without ownership being transferred to an approved buyer. Accrued charges shall be invoiced on carry fees and outturns at the end of each month.

Current Season Carry Fee (Invoiced EOM from 30/04/26 - new season stock)	\$1.30 / month / tonne
Prior Season Carry Fee (Invoiced EOM from 31/10/25 - old season stock)	\$1.80 / month / tonne
Outturn Fee (Invoiced EOM for grower outturn)	\$15 / tonne
Shrink – Wheat & Barley	0.6%
Shrink – Lentils, Faba Beans, Chickpeas, Field Peas, Canola	0.8%
Free On Truck (FOT) sales – additional outturn fee	\$4 / tonne
