

Schedule A

Storage and handling charges 2026/27

Bunge may vary these Charges at any time by providing 20 Business Days' notice to the Client via the website.

The Client acknowledges that the following Charges apply to the Client's Grain for the current Service Year and that, unless this Schedule provides otherwise, the Charges for all Grain in storage at the commencement of a new Service Year will be made at the rates applicable for that Service Year. All Charges detailed below are GST exclusive.
